4200 South Main Street, Murray, Utah**

## CERTIFICATE OF COMPLETION

### 1. Compliance with Terms of Voluntary Cleanup Program

The Executive Director of the Utah Department of Environmental Quality, through his undersigned designee below, has determined that Hamlet Development and Gibbons Realty Company, hereinafter collectively referred to as "Applicant," have completed a Utah Department of Environmental Quality ("UDEQ") supervised voluntary cleanup of the real property described in Attachment A (the "Property"), in accordance with sections 19-8-108 and 19-8-110 of the Utah Code Annotated and the Voluntary Cleanup Agreement entered into on March 14, 2006. The Applicant is granted this Certificate of Completion ("COC") pursuant to section 19-8-111 and subject to the conditions set forth in section three below. Figures depicting the Property are located in Attachment B.

### 2. Acknowledgment of Protection From Liability

This COC acknowledges protection from liability provided by section 19-8-113 of the Utah Code Annotated to an applicant who is not responsible for the contamination under the provisions listed in subsection 19-8-113(1)(b) at the time the applicant applies to enter into a Voluntary Cleanup Agreement, and to future owners who acquire the Property covered by this COC, and to lenders who make loans secured by the Property covered by the COC.

As set forth in section 19-8-113, this release of liability is not available to an owner or lender who was originally responsible for a release or contamination, or to an owner or lender who changes the land use from the use specified in the COC if the changed use or uses may reasonably be expected to result in increased risks to human health or the environment, or to an owner or lender who causes further releases on the Property. Also, there is no release from liability if the COC is obtained by fraud, misrepresentation, or the knowing failure to disclose material information. Finally, protection from liability is limited to contamination identified in the documents related to the investigation and cleanup of the Property.

### **3. Specified Land Use for Certificate of Completion**

This COC is issued based on the Applicant's representation that the Property will be used for mixed commercial and residential uses, consistent with the residential exposure scenario described in the Risk Assessment Guidance for Superfund, Volume I, Human Health Evaluation, Parts A and B. The residential scenario is defined as exposure to adults to incidental ingestion and dermal contact to hazardous constituents for a duration of 30 years at a frequency of 350 days per year.

In addition, this COC is issued based upon compliance with the COC, as well as compliance with an Environmental Covenant (EC), dated August 12, 2008 and recorded in the records of the Salt Lake County Recorder as Entry No. 10497519 in Book 9634 at Page 2136, and the Site Management Plan (SMP), dated July 21, 2008. The COC, EC, and SMP, among other things, require:

- a. The Property shall be used in a manner that is consistent with the land use described in section three above;
- b. Non-use of the groundwater located beneath the Property via wells, pits, sumps or other means;
- c. Compliance with the Environmental Covenant recorded with the Salt Lake County Recorder on August 12, 2008 in Book 9634 on pages 2136-2164.
- d. The Site Management Plan is implemented as proposed;
- e. Reports are submitted to UDEQ as described in the SMP;
- f. Continued reimbursement to UDEQ for its oversight of activities under the EC and SMP;
- g. Continued consent to access by UDEQ to monitor compliance with the EC and SMP;

### **4. Unavailability of Release of Liability**

Use of the Property that is not consistent with section three including failure to comply with the EC or SMP described in section three shall constitute a change in land use expected to result in increased risks to human health/the environment making the release of liability in section two unavailable.

### **5. Availability of Records**

All documents discussed in this COC are on file and may be reviewed at the UDEQ/ Division of Environmental Response and Remediation office located at 168 North 1950 West, Salt Lake City, Utah.
