

VCP/Brownfields Section - Site Visit Report

SITE NAME: 4-C Laundromat

SITE LOCATION: Ogden, Utah

DATE OF SITE VISIT: 27 October 2022

PURPOSE OF SITE VISIT: DERR (Lincoln Grevengeod) visited the Site to oversee well installation and sampling.

FIELD OBSERVATIONS: The DERR arrived at the Site around 10:00 AM. No activity was ongoing at the Site. A call to the contractor revealed that the well drilling had been postponed to the next day. The DERR was able to compare where the slab had been removed for drilling to the proposed well locations.

SPLIT SAMPLES COLLECTED: No

IS THE WORK BEING PERFORMED IN A MANNER CONSISTENT WITH THE ACCEPTED WORKPLAN?

NA
