Dear Mr. Cooper:

The Division of Environmental Response and Remediation (DERR) has received and reviewed the following documents as required by the provisions of the Voluntary Cleanup Program (VCP):

- Quality Assurance Project Plan, dated August 11, 2022;
- Sampling and Analysis Plan, dated August 11, 2022; and
- Site Characterization Plan, dated August 11, 2022.

Based on a review of the documents, the DERR has no additional comments and accepts the documents under the VCP. Please keep the DERR apprised of the schedule as the DERR will be on-site to oversee the field work.

Thank you for your participation in the VCP. If you have any questions, please contact me at (801) 536-4100.
